

TOWNSHIP OF STILLWATER

Washington County, Minnesota

An ordinance amending Ordinance No. 44 providing for collection of service availability charges imposed upon Stillwater Township by the Metropolitan Sewer Board.

THE TOWN OF STILLWATER HEREBY ORDAINS:

Section 1.

Ordinance No. 44, is hereby amended by adding a section as follows:

Section 7. From and after January 1, 1974, the sum of money to be paid to the Township upon issuance of any building permit, or upon making connection to sanitary disposal system in case of any building for which such charge was not paid previously, shall be equivalent to the sum imposed upon such building permit or connection by the Metropolitan Sewer Board or such agency as may succeed to its functions. A schedule of such charges shall be maintained for public inspection by the Town Clerk.
