Description of Work (attach site plan):

NOTICE:

The applicant shall comply with all provisions of the State Building and Plumbing codes, as well as all twp. ordinances governing zoning and building. The State of Minnesota regulates all electrical work. The continued validity of this permit is contingent upon the applicant's compliance of all work done and materials used with the plans and specifications herewith submitted, and with the applicable ordinances of the township.

I hereby acknowledge the above and agree to comply with Stillwater Twp. and the State of Minnesota's codes and ordinances.
