

ORDINANCE NO. \_\_\_\_\_,

**STILLWATER TOWNSHIP  
WASHINGTON COUNTY, MINNESOTA**

**AN ORDINANCE  
REGARDING SHORT TERM RESIDENTIAL RENTALS**

**Commented [EPM1]:** Standalone ordinance; not included in the zoning ordinance

**THE TOWN BOARD ORDAINS:**

**SECTION 1.** Findings and Intent:

The Town Board finds that there is more potential for nuisances to arise from short term residential uses, including increased noise, inappropriate parking, parties, late hours, multiple invitees, intensive uses over short periods and other features of transient stays as the users come to the property for a short period, recreate and then leave.

The Town Board finds that an ordinance is necessary to regulate, limit, and control short term rentals to eliminate potential nuisances, ensure such uses are compatible with existing neighborhoods in the township, and to maintain their activities in a way that avoids the disruption that can occur because of transient stays among otherwise agricultural and rural residential developments.

The Town Board finds that this ordinance will allow the Township to follow the vision statement of “Actively supporting a rural residential lifestyle as an alternative to city development. The Township promotes and encourages lifestyle and land use practices that protect the natural environment and rural character of the area, and works diligently to ensure that agriculture, open space, views and vistas, wildlife and water resources are preserved. This will be accomplished through careful land development and stewardship, as well as continuing to provide a responsive government and cost-efficient rural services.”
